

Delivery Policy

We will arrange for the products you purchase to be delivered to the delivery address you specify during the checkout process.

For all in stock items shown on our website, we dispatch same day for all orders received by 3.00pm and within 24hrs of being placed during the working week.

- BiOWiSH™ Consumer technology shall be delivered by Royal Mail or similar next working day (Monday-Friday) service complete with tracking notification.
- SpillFix® shall be delivered by UPS or similar courier next working day (Monday-Friday) service complete with tracking notification.

A signature may be requested on delivery.

We will use reasonable endeavours to deliver your products on or before the date for delivery set out in the order confirmation or, if no date is set out in the order confirmation, within 3 days following the date of the order confirmation; however, we do not guarantee delivery by this date.

We do guarantee that unless there are exceptional circumstances all deliveries of products will be dispatched within 30 days following the later of receipt of payment and the date of the order confirmation.

Other delivery services can be arranged with pleasure depending on the quantity of goods and your specific requirements - please email sales@simplyenvironmental.co.uk

We will only deliver products to addresses on the UK mainland. For all other shipping requirements please contact us.
